Dear families

The sunshine today was certainly welcoming and it looks like the warmer days might continue next week enabling outdoor activities to increase. Last Friday our college captain Daniel did an amazing job overseeing "Diabetes Awareness Day." Daniel sourced prizes through the association and held a number of activities during recess and lunch finishing with a treasure hunt in session 5. (Current total from last week is $304.55) This week families are collecting 5c coins in a box and we will add these to the tally this evening. Adrian in Year 9 was delighted to win 2kg of jelly beans and has been happily munching with a few helpers whilst Joshua C in prep is taking care of “Trunky” the elephant after successfully guessing his name. We will invite a representative from the association to our next assembly to enable a cheque to be presented.

Our assembly on Monday morning was a great start to the week. Jascha overcame nerves to facilitate the program where prizes were awarded from Friday and our Leading Lights group from Year 5 & 6 provided a presentation on cyberbullying. This group of young leaders have been working with students in other primary schools developing their eLearning skills and knowledge around responsible usage. The presentation on Monday morning certainly reflected their learnings.

I would like to congratulate Sasha and Jordan on being accepted as delegates to the 2014 Victorian Junior School Council Congress. As representatives of their fellow students they have an important role in ensuring their views are heard. They will be conducting surveys with our students and will be attending a state wide program at Parliament House Melbourne on Friday 12th of September to discuss the findings.

There were smiles all around as our prep to 6 students commenced the edible garden program. The children were either out in the garden learning about planting or inside preparing food in the kitchen with our volunteers. The preps had a wonderful time making apple wontons in the afternoon. This Monday we will see Ms Tseriotis and Mrs Giles class’ in the kitchen. This is certainly a wonderful way to get involved in our college and we welcome parents and grandparents who are able to support our kids in the kitchen.

Tuesday afternoon our chaplain Cathie Staunton worked with our Year 7 and 8 girls to prepare goodies for Wednesday’s cake stall. This was certainly well received and the funds raised were $283.50, which will be utilised to send the remaining Altona West PS uniform to underprivileged students in India. I thank them for their community service.

There are a number of extracurricular activities planned in the remaining weeks and into term 4. Our Prep to 4 swimming program has been well received and is now confirmed. Excitement is building ahead of our year 3 to 6 camp in October and families are reminded to finalise payments as our numbers must be confirmed. The running club have been out enjoying the brisk mornings. They are to be commended for their commitment as they prepare for coming events. Mr Dadswell will be sending out various forms to our Middle Years students who are representing our college at district events in the next few weeks.

The choir will be performing at Carranballic College next Wednesday at the Festival of the Performing Arts. They will do an encore at assembly on Monday, 1st September. My appreciation goes to Mr Cooper who will oversee the session.

Ms Amanda Vinnicombe finishes today at the College. She was the successful applicant for the Literacy Coaching Position at Richmond West Primary School. This is an extremely exciting opportunity for Ms Amanda’s growth as a school leader. Mr Paul Trambulo will be taking the class the next week. The position has been advertised externally and parents will be advised of the permanent replacement by the end of next week. I congratulate Ms Amanda on behalf of the college community on her new position. She has been a very valued staff member for almost five years. I wish Ms Amanda every success in the future with this wonderful professional opportunity.

Wishing all our families a relaxing weekend.

Julie Krause
Principal
STUDENT WELLBEING NEWS

RESTATE IT WITH RESPECT

You may well hear this phrase being uttered beyond the college walls. It is a phrase that makes others aware of the way they speak and how what they say impacts on others. Students are encouraged to use it when they are spoken to in an offensive or aggressive manner.

Of late, we have been revisiting our college expectations. In developing a positive climate in which our students can learn, we must first ensure that we have respect and care for one another. In the playground, this may look like students being mindful of others when using playground equipment or using positive and friendly talk. In the classroom, this may look like students taking turns in a game or using their manners when making requests. Conversely, some behaviours and language are unacceptable within the boundaries of a school. These may include such examples as offensive language and rough play. College staff and students appreciate the efforts of all in adhering to the college expectations that are clearly displayed throughout the college. Non-adherence to these expectations will result in consequences including time out from the playground.

STEPS TO PREP

How delightful it has been to welcome our STEPS TO PREP students into the realm of college life. They have embraced all activities with an enthusiasm synonymous with young children. Such youth brings with it much growth and hope for the future of our college. If you know of any pre-school children who would be interested in joining this group (each Thursday morning from 9-11am) please encourage them to contact us here at the college.

FATHERS DAY BBQ BREAKFAST
Thursday 4th September

Thank you to those individuals who have already volunteered to assist at our Fathers’ Day Breakfast. Your help is greatly appreciated. We are currently looking for a few more volunteers who are able to assist. If you can help on the morning of Thursday 4th September, please contact the office or me via email: elmer.amanda.j@edumail.vic.gov.au

If you are a dad/grandfather who will be attending our Fathers’ Day Breakfast, please register your RSVP no later than Monday 1st September. RSVP via the office, or through the email mentioned above.

Stay warm,
Mrs Amanda Elmer

MUSIC NEWS

Next week on Wednesday 27th August, the College’s Choir will take part in the annual Festival of Performing Arts. We are very excited to be involved. The choir have been working extremely hard on their entry ‘What are we waiting for?’, and you are most welcome to attend this free event. The performance will be starting at 1pm. If you would like to attend, the best place for parking is at the Jamieson Way Community Centre car park. This is located besides Carranballac College (Jamieson campus). From the community car park you will see the venue which is located in Carranballac College’s gym. There will also be signs to assist you in finding the venue.

All choir members need to bring their lunch, water bottle and a healthy snack. Also they are required to wear their formal school uniform.

I hope to see you at this wonderful event!

Happy Days
Mr Jayson Cooper
Dear Parents,

This is a reminder note to let you know that the Life Education Program is visiting the school next month, from Tuesday 2nd to Wednesday 3rd, September, for students from Prep to Year 6.

The Life Education Program is a unique and innovative health and drug education program designed specifically for school age children. It will operate from a purpose built mobile classroom van that will be set up at the rear of the 5 – 8 Learning Centre near the Out of Hours School Care Centre.

There is a cost of $9.00 for each student to participate in the program, which includes a lesson in the mobile van with a trained Life Education program educator, plus a classroom activity booklet for follow up classroom teaching and learning.

The Life Education Visit incursion permission notes, plus invitations to parents to attend an information session, have been sent home with all students. The ‘Parent Information’ session is free and has been set aside for Tuesday the 2nd of September from 9 to 9.30 am.

Please note that Student Permission slips with payment and Parent Information Session attendance slips must be returned to the school office by Monday 25th August.

We would like to see all families and students from prep to year 6 participating in this valuable program that we have been able to organise as part of our whole school approach to Positive Education and student wellbeing.

Extra Incursion permission notes and Parent Information invitations are available from the main office if required.

Thank you to those families who have already responded and we look forward to full participation in this excellent program.

Mrs Chris Tseriotis
2/3 Teacher

Think Global, Act Local.

What a pleasure it was to work with our year 7 girls on their Positive Education project this week. Their cake stall was a huge success with approximately $300 raised to send some Altona West Primary school uniform over to a children’s care centre in India. Well Done Bella, Hayley, Tiana, Zoe and Emily! Thank you to everyone who supported this project.

In the last week we’ve seen some great examples of our students making a difference. Issues occurring around our world can seem overwhelming but our students have shown us that if we think globally, but act locally we really can make a difference to the lives of many. I hope this is something they can keep putting into practice long after they have left this place.

Recently it seems that the conflict in our world is becoming more and more severe. We think of the Ukraine and Russia, riots in Missouri, the Gaza strip and more conflict in Syria. Sitting here in Altona it doesn’t seem that we can do much about it. However if we act locally we can do something about conflict in our everyday lives. This week the Grade 1’s have begun a friendship project involving Herman the German friendship cake.
(http://www.hermanthegermanfriendshipcake.com) This cake is based on a sourdough starter that you look after then divide and pass onto your friends. It provides a perfect example of the effort you have to put into friendship and the rewards you receive from it.

Think about how easily we can get upset with our own family, neighbours, friends, teachers or class mates. Sometimes it’s serious matters that cause conflict, but other times it’s trivial things that go on. So I challenge you all this week to take hold of the example of our students and to act locally – let’s try to get along! Let me know how you go!

For some inspiration and beautiful images check out this clip...

MIDDLE YEARS NEWS

Book Club 2014 is underway!

Book Club is again underway for years 5-8 in Semester 2. Following the success of Book Club 2013, we have now finished the first of 4 rounds of Book Club involving all students from Year 5-8. We have made some minor changes to the format of Book Club this year so that we are continually improving the program. Year 5 students will be doing a modified version of Book Club, an introduction to Book Club this year that will ensure that they have the skills needed to adequately participate in the program when in Year 6 and beyond. Year 5 students are studying 2 books, ‘The Iron Giant’ and Flora and Ulysses.

The Process

Year 6-8 students sign up and study 4 out of the 9 books on offer. When studying these books, students will complete a variety of tasks relating to themes, character development, narrative writing craft, locating and analyzing language etc. Students are given 4 weeks to complete their chosen book and meet each Monday as a group with a teacher. Each group has a maximum of 9 people and a teacher to ensure that the maximum amount of learning takes place.

What is the role of parents?

How a child performs at school and the value that they place on their learning can be directly attributed the level of interest that parents show in their education. My advice is always the same to all parents of students that I teach; ask questions about what they are learning. Find out the topics being studied and discuss them, if they are reading a novel for school read the same books and discuss them. The best way to show that you care about their learning is to actively participate in it. The greatest learning environments extend beyond the school walls into the home.

I will place a copy of some of the work sheets that the students are doing in a folder in the office for anyone to look through so that you have an understanding of tasks being completed.

2014 Book Club Books

The Boy in the Striped Pyjamas - John Boyne
Once – Morris Gleitzman
Goodnight Mister Tom – Michelle Magorian
The Sliver Sword – Ian Seraillier
To Love Veronica Bee – Sarah Boland
Only the Heart - Brian Caswell
Dragon Keeper – Carole Wilkinson
Tomorrow When the War Began – John Marsden
Hatchet – Gary Paulson

Year 5
The Iron Giant - Ted Hughes
Flora and Ulysses - Kate DiCamillo

Mr Hamish McGee
Year 9 Coordinator

SCIENCE NEWS

Science Week 2014 involved all students in the school participating in a range of activities. From Bubble-making in Prep, through to lunchtime Slime activities for the Years 3-6’s, all students experienced hands-on Science. At Year 8 and 9 there was a Robotics Incursion for students interested in the programming and engineering side of constructing robots. Students programmed the robots to complete various challenges using the robots ‘senses’ and mechanical ability.

Mr Gary Helmore
Science Coordinator
I know a little secret…actually a few! One, your children do eat their vegetables; two, they really can cook; and three, they can even clean up after themselves!

We had a blast on Monday with the first of many Edible Garden cooking lessons. We enjoyed some lovely Rainbow Chard in a dip with flat bread, a Broccoli and Parmesan pasta and a special treat in the form of some fresh lemonade. I think the photos speak for themselves! Thanks so much to our parent helpers Roxanne Cahill, Rob Hanley, Denise Tuite and Tracey Habgood. The recipes will be up on our school website shortly so get your kids in the kitchen! Anyone else interested in volunteering even once a term in the kitchen let me know!

Take Care,
Cathie Staunton
Chaplain.
FUNDRAISING NEWS

The Fundraising Committee has an eventful Term 3 coming up with lots of fundraising activities.

The first is our School Disco on 28 August. Please find all the details attached. A hard copy of this notice was sent home. You can choose to pre-pay for the disco tickets and food/drinks and other items (preferred) or pay on the night.

Our Father’s Day stall on Friday 5 September will run the same as the Mother’s Day stall. Items will be on sale in the Old School Library. We have lots of items for sale for all types of dads- the car lover, the reader, the fix-it, the out-doorsy, the sports mad dad and heaps more. Items priced from 20 cents to $10.

We have organised with Tony’s Pies to conduct a Pie Drive. Tony’s Pie’s will supply us with a range of their freshly baked pies, pasties, quiches and sausage rolls on Tuesday 16th of September. All the products will be freshly baked and will be suitable to go straight into the freezer if you wish. So order up BIG. Remember, the more you order the more we make. Orders are due back at the College by 10 September - NO LATE ORDERS ACCEPTED. Delivery of pies is on 16 September - just in time for the school holidays and Footy Finals.

We need the support of everyone to make this fund raising a success.

Finally, with much excitement we are running a Big Ticket Raffle this year. The raffle prize is a 4 Night Family Holiday to the Gold Coast for 4 nights. More details will come soon and books of 20 raffle tickets for only $2 each ticket will be sent home with each child to sell.

Thanks The Fundraising Committee

CANTEEN

Dear Families,
Please note due to the high number of late lunch orders being received all orders received after 9.20am and miss the lunch order pick up will receive a school made vegemite sandwich.

FREE PLAY GROUP FOR YOUR CHILD

KINDA KINDER

Enhance your child’s learning and development of literacy, numeracy and socialising skills through play and fun activities:
- For children 0-6 years old
- One hour per week; no need to book
- As a parent, you also participate (and must be in attendance)
- Led by Victoria University students doing the Bachelor of Education (Early Childhood/Primary)
- With the support of primary schools and local government.

Starting date: Every Tuesday 9:15am till 10:15am.

To be held at Altona P-9 College:

103A Grieve Parade
Altona
VIC 3018
Welcome to Camp Australia Before and After School Care

We have had an exciting and busy time over the past few weeks. We always welcome ideas and help from our parents.

We are very thankful for the huge donation from the Limbrick family of wool, beads and other goodies which are to be used for craft. Their Mum spent some time teaching us to make a rug. Lots of the children have had a turn and there is still plenty to do.

Any ideas for craft, games, or the menu you may have for including in our program are very welcome. Please let us know what these are.

Every day we serve healthy fruit and vegetables to the children so there are scraps and peelings to get rid of. Last week we began taking these to feed to the worms. We are really pleased to be part of the school community in this way.

At assembly on Monday we announced a few details of our Better Buddies (prevention of bullying) program. I am pleased to have so far appointed two Better Buddy Leaders (Wynona and Macarena). Their job is to help younger children feel welcome and part of the group.

Remember to enrol now with us so that when you need us you just need to book. And do come and visit us to see what we do. Perhaps you and your children could come for a play date to try us out.

Natalie MacLachlan, Coordinator

Once registered
You can make bookings and cancellations, view your statements and manage your details anytime of the day.

Save on Care
Save 50% or more on Before and After School Care with the Child Care Rebate. Almost all families are eligible. To find out more call our Customer Service Team on 1300 105 343

Holiday Clubs
Don’t forget about the Camp Australia Holiday Clubs these school holidays. Use the Holiday Club Finder on the website to find the nearest program: www.campaustralia.com.au/holidayclubs

Healthy Snacks
Afternoon tea is served daily. Menus are tailored to children’s tastes, developmental and nutritional needs. Afternoon tea includes a selection of yummy sandwiches and fruit. Children may also engage in fun cooking activities.
